

Renew Active™ Terms and Conditions

Eligibility Requirements

- Only members enrolled in a participating Medicare Advantage Insurance Plan insured by Medica HealthCare Insurance Company (“Medica HealthCare”) are eligible for a no additional cost individual membership at participating locations as part of the Renew Active™ program ("Program").

Enrollment Requirements

- Membership and participation in the Program is voluntary.
- You must enroll in the Program according to the instructions provided on this website. More specifically, you must obtain the confirmation ID and bring it to a participating location to receive a membership at no additional cost.
- Program enrollment is on an individual basis and the Program's waived monthly membership rate for standard membership services at participating locations is only applicable to individual memberships.
- You are responsible for any and all non-covered services and/or similar fee-based products and services offered by participating locations that require a separate fee to be paid to participating locations. Including, without limitation, fees associated with personal training sessions, specialized classes, or additional/enhanced facility membership levels beyond the basic or standard membership level.

Liability Waiver

- Always seek the advice of a doctor prior to beginning an exercise program or making changes to your lifestyle or health care routine.
- Services, including equipment, classes, and personalized fitness plans provided by fitness centers, and brain activities provided by BrainHQ, are provided by third parties not affiliated with Medica HealthCare. Medica HealthCare and their respective subsidiaries and affiliates do not endorse and are not responsible for the services or information provided by this program, or for any injuries you may sustain while participating in any activities under the Program.

Other Requirements

- You must verify that the individual location participates in the Program before enrolling.
- If your participating location operator completely ceases to participate in the Program, your program participation and waived monthly membership rate will be discontinued until you join another participating facility and re-enroll in the Program. If you wish to cancel your membership, you can opt to do so per the cancellation policy of the applicable location.

Data Requirements

- Optum (the Program administrator) and/or your fitness center will collect and electronically send and/or receive the minimum amount of your personal information required in order to facilitate the Program in accordance with the requirements of applicable laws, including privacy laws. Such required personal information includes, but is not limited to, program confirmation ID, fitness center membership ID, activity year, and monthly visit count. By enrolling in the Program and receiving the pre-determined monthly membership rates from your participating location, you accept

the Terms and Conditions of the Program set forth herein and authorize Optum to request, and your fitness center to provide, such personal information.

Online brain activities provided by BrainHQ are offered pursuant to the terms and conditions and privacy policy contained on their website, and you should review their terms and conditions and privacy policy before using their website or providing any data or information to them on their website. Medica HealthCare and their respective subsidiaries and affiliates are not responsible for the acts or omissions of BrainHQ.
